PRESIDENT: Are there objections to Senator Savage's absence? Hearing none, so ordered. Turn your light out before you go.

SENATOR CHAMBERS: Mr. President, the first thing I have to do is reject that first which was the committee amendment. I move for the rejection of the first amendment.

PRESIDENT: Senator Carpenter moving to reject the first committee amendment.....

SENATOR CHAMBERS: Senator Chambers.

PRESIDENT: I'm sorry, Senator Chambers moving to reject the committee amendment. All those in favor of the rejection, whoops, Senator Whitney.

SENATOR WHITNEY: Mr. President, I'd like to know what we're rejecting. Now, I have two different copies.

SENATOR CHAMBERS: Senator Whitney, I can tell you. The first listing was incomplete.

SENATOR WHITNEY: Well, there's one listing here and it's dated February 7th. But it has request #2580 on it and then there's another listing that has #2580 on it but doesn't have any date on it. Now, in other words, I have two white sets of bills in my book here.

CLERK: Mr. President, both of the amendments because they were computerized have the same request on them, 2580. The one that Senator Chambers said he wants to adopt is the one that starts in Section 1, that's Section 1-137 be amended. The committee amendment reads Section 1-114.

SENATOR WHITNEY: So you want to reject, then, the 1-114?

SENATOR CHAMBERS: Yes.

SENATOR WHITNEY: And in place of that in the 1-137? Okay.

SENATOR CHAMBERS: And so that to be perfectly clear. The set of amendments that I want to reject is the set that doesn't have the complete listing of the statutes. I can easily show you what that would be if it's necessary. But I want to reject the first set of amendments that were offered. So that's what we're doing.

PRESIDENT: Senator Whitney, are we answering your question?

SENATOR WHITNEY: Yes.

PRESIDENT: All right. Then the motion now is to reject that set of.....

amendments. If you all understand which set and you've followed the discussion here. All those in favor of the rejection of the committee amendments, say aye. Those opposed, say no. So ordered, then, the first set as explained by Senator Chambers is rejected.

SENATOR CHAMBERS: Now, I move for the adoption of the second set of amendments and so you know which one it is, it's the set that follows the committee's statement. That small sheet, it's just a more complete listing of other statutes the Attorney General felt should be included. So I move the adoption of these amendments.

PRESIDENT: Do you understand the motion? All right, the question is shall that set of amendments be adopted as explained by Senator
